*****All first-time applicants must complete a Free Application for Federal Student Aid (FAFSA).***** If it is determined that the student qualifies for federal or state grants, they must complete a FAFSA in subsequent years. If it is determined that the student does not qualify for federal or state grants their first year, they are not required to complete a FAFSA the following year unless their financial circumstances change making them eligible for grants. Failure to complete the FAFSA and the Application for Faculty/Staff Benefit forfeits the right to receive the benefit.
