ARTICULATION AGREEMENT BETWEEN
THREE RIVERS COLLEGE AND
CENTRAL METHODIST UNIVERSITY FOR
AA/AAT/AFA/AS/AAS DEGREES

This formal articulation agreement is made and entered into by Central Methodist University, hereinafter referred to as CMU, and Three Rivers College, hereinafter referred to as TRC. By entering into this agreement, TRC and CMU express our mutual commitment to serve students in the Three Rivers College area by providing high quality educational programs and services. This agreement provides information for transfer of the general transfer degree program (AA), associate of arts in teaching (AAT), associate of fine arts (AFA), associate of science programs (AS), and the associate of applied science programs (AAS).

PURPOSE:

These two institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree by clarifying transfer policies and procedures between programs. Both institutions recognize the value and benefit of the completion of the associate’s degree prior to transfer. Participation in this agreement requires commitment on the part of the student and both institutions involved.

CMU will apply such to the Bachelor of Science degree in a manner consistent with the treatment of native students. For TRC students entering focused programs, CMU will credit designated TRC courses as defined in an addendum to this agreement.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

TRC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as CMU native students enrolled under a specific catalog year of TRC admissions date. Criteria for acceptance into CMU will be the same for transfer as for native students.

Upon request of students, TRC will provide verification of completed courses to CMU through its (Admissions/Registration) Office. TRC students who transfer to CMU prior to completing an associate’s degree may transfer credits back to TRC to complete their degree. CMU will monitor TRC students and provide TRC with reverse transfer eligibility list.

Transfer students from TRC will have access to financial aid, advising and other student services on the same basis as native students.

CMU will apply the same academic progress and graduation standards to students who transferred from TRC as those applied to native students.
TRC and CMU will cooperatively develop, regularly review, and update advisement materials. This will enable students to meet the terms of this agreement and transfer to CMU with maximum ease.

TRC and CMU will cooperatively promote transfer opportunities to potential graduates of TRC.

TRC will advise interested students on the availability of the articulation agreement and the transfer opportunities available to them by participating.

TRC and CMU will publicize the existence of the articulation agreement and transfer guides. Use of either institution’s name and/or log in mass marketing materials requires mutual agreement negotiated between both marketing departments.

**Section II: Transfer of Credit**

There is no maximum of credit hours that will be accepted by CMU from TRC to be applied to the Bachelor’s Degree. However, students will be expected to meet CMU’s residency and graduation hour requirement. All students must have 30 hours of 300 level course work from a four-year institution, and 30 must be from Central Methodist University. All students must have a minimum of 15 hours in the major at the 300 level. All students must have a minimum of 120 hours.

CMU will accept courses that are equivalent in rigor and content to its current curriculum in which a D or higher is earned unless a higher grade is required by a specific program, or a prerequisite to another course. Developmental courses will not be accepted in transfer.

Representatives of the advisement staffs of TRC and CMU will develop and annually review Transfer Guides that will provide information on programs and requirements. The Transfer Guides are a part of this agreement and provide degree opportunities covered by this agreement.

**Section III: Program Plan**

Focused program transfer guides will be incorporated as addenda to this agreement. Each will specify student degree course plan and credit transfer requirements, and will be updated regularly.
